

Nylon Phillips Pan Screw

DIN 7985

Nylon

N0025.25N

NYLON

Material

Nylon 66 (PA 6/66), standard. Natural, white or black.

Technical Notes

DIN norms were created for metal parts, the dimensions of our plastic DIN equivalents are close to the norm but do not

follow the strict tolerances typically relevant to metal parts.

Many Nylon parts are available in dyed black, this subject to a minimum value and process charge, please contact us for further details.

Dyed black colour is not long term UV

stable. Nylon parts offer good electrical insulation, is resistant to corrosion and most dilute acids.

Nylon protects work surfaces and absorbs shocks and vibrations.

Order No.	d ₁	l ₁	d ₂	h ₁	Finish
